

An Easter Thank You  
from  
Parish Social Ministry!

We are very grateful to all who made a monetary donation, prepared an Easter Basket for a child less fortunate or provided an Easter Meal Basket for a family in need. Due to your generosity, we were able to distribute over 200 Easter Baskets to children within our parish, St. Hugh in Huntington Station, and several organizations including Helping Hands Rescue Mission and New Hour for Women.

We were also able to provide Easter Meal Baskets to over 50 families in need which included all the ingredients needed to make their own Easter meal.

We would like to thank all the teens and adults who delivered over 100 Easter bags to our seniors. This included decorated bags, handmade cards, palm crosses, Easter bunny treats...all of which were packaged with love and delivered with tons of smiles! *God Bless you all.*

*May the risen Christ fill your heart with joy, bring you new hope,  
and bless you with peace. Amen.*
