

**NEWBORNS
IN NEED**

Newborns in Need is a local, not-for-profit 501C national charity. The Huntington Bay Long Island chapter was formed and has been run by OLQM parishioners for over 25 years. We started this chapter in 2001 and have been strongly serving the community quietly throughout the years.

We collect new and gently used infant items and re-donate them to local hospitals, shelters, agencies, clinics and the like.

We are in need of:

- Clothing up to size 12 mos. with the greatest need being 0-3 mos.
- Pack and Plays
- Infant Tubs
- Infant Swings
- Strollers and stroller frames
- Infant car seats under 5 years old
- Highchairs
- Diaper bags
- Diapers
- Toiletries
- Formula
- Infant toys

We appreciate the support we have received from the parishioners of OLQM through the years and ask for your continued support during these cold months. The NIN drop offsite is on the porch of the Parish Social Ministry Building.

**Please call OLQM parishioners
