

Memorial Day-themed RESPIRE for Children of Special Needs

On Saturday, May 16, God blessed us with a beautiful day for our Memorial Day-themed Respite program. We were grateful to welcome over 15 participants along with many wonderful buddies for a day centered on patriotism, friendship, and fun.

Participants enjoyed patriotic coloring sheets, word scrambles, beaded necklaces, and decorating foam airplanes. A favorite activity was decorating cupcakes with red, white, and blue icing and patriotic sprinkles. After prayer, everyone shared a wonderful breakfast together.

The beautiful weather allowed participants and buddies to enjoy outdoor activities including basketball, bubbles, sidewalk chalk, and bowling. One of the highlights of the day was our Memorial Day parade, where participants proudly carried American flags while Remi played the guitar as we walked and celebrated together outside.

The surprise treat of red, white, and blue Bomb Pops was enjoyed by all. At the end of the day, participants brought home their crafts and projects to share with their families.

We are grateful for the volunteers, buddies, and families who helped make this Memorial Day celebration such a blessing. May God continue to bless this ministry and all who are part of it.
