

## Join Us in the NexTrex Recycling Challenge!

We're on a mission to collect 1,000 pounds of recyclable plastic — and we need YOUR help to get there! Once we hit our goal, we'll earn a beautiful, eco-friendly Trex bench for our Sacred Space — a lasting symbol of our community's commitment to the planet.

Here's how you can help:

Drop off your clean, recyclable plastics (see list below) in the bin located on the Parish Social Ministry porch.

Let's come together to protect our planet and create something meaningful for our space.  
Small actions = Big impact!
