

Sharing Irish Soda Bread, Sharing Love

With grateful hearts, we celebrate a beautiful parish effort that brought warmth and connection to many.

Over 50 loaves of bread were lovingly made by parishioners who picked up bread-making kits from Parish Social Ministry.

Each kit included instructions and a special prayer, guiding our bakers as they prepared their loaves at home.

Once returned to the Parish Social Ministry office, the breads were thoughtfully adorned with beautiful ribbon, a prayer, and heartfelt care. For a time, the office was filled with the wonderful aroma of freshly baked bread—a true reminder of the love shared within our parish. In the photo below, you will see some of the bakers and their

families (bottom row), along with a few of the senior citizens (top row) who were the grateful recipients of these gifts.

After being baked and decorated with bows and prayers, the breads were delivered by our “lucky leprechauns,” bringing smiles to our senior citizens and reminding them that they are remembered and cherished.

Thank you to all who participated, touching so many others through the gift of their baking.
